

Fortune Stonex

Mines owner, Manufacturer
and Exporter

An Introduction Towards Success

Fortune Stonex Group of Companies was Established in 2003.

Though we started as a small establishment, under the competent guidance of Gyan Chand Lodha, Vinay Jain & Jitendra Poonia, the joint efforts of the group has led to immense growth of the company. Today we operate North India's biggest Monuments Manufacturer & Exporter with the largest Processing Unit, a 100% Export Oriented Unit at Kishangarh, Rajasthan, with a huge capacity and state of the art technology for granite and marble processing. We have captured a large segment of the Indian Granite,Marble, Quartzite, Sand Stone, Monuments and Imported Marbles & Imported Granites.

Right from the commencement of its activities, Fortune Stonex has been a reliable natural stone source filling for architects, contractors, builders and wholesalers. We have also ensured complete control of the entire production process. True passion and knowledge of Mr. Jitendra Poonia has been instrumental in group's owning the various mining land for sustainable raw material procurement. We own mining land having more than 10 colors across the north Indian states. Right from raw material sourcing to on-time delivery, the plant has an annual production capacity of 2,00,000 sq. Mt.

The company's core strength lies in its constant endeavour to promote new varieties of world-class products from time to time and also its ability in having fine-tuned concept of customer satisfaction to understand its client's needs. We are competent to supply Natural stones in slabs, Blocks and cut to size as per customer's requirements. This strategy has helped the company in registering a steep growth in both volume and its varieties. We earned a high degree of credibility with our clientele base as the most reliable and consistent supplier, to stay competitive, We have established a warehouse in the South Africa, and planning for more. We presently meet the requirements of USA, Europe, Middle East North Africa (MENA Region), UAE and other countries. Today our efforts to maximize shareholders value go beyond Marbles and Granites. We have developed a will to build a sustainable future by taking into account the economic, environmental and social needs of all shareholders, every step of the way.

MONUMENTS

Inscription Wording

Finding the right words for your memorial can be difficult. This section offers some guidance which we hope will help.

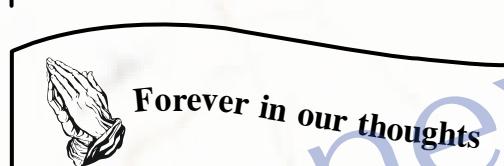

Please be aware that Churchyard and Cemetery regulations may restrict your inscription choices. If you are not aware of the restrictions that affect your memorial we will do our best to help.

The layout below shows a typical inscription

Examples

Below are just a few common inscriptions -

"To live in the hearts of those we love is not to die"

"The best and most beautiful things in the world cannot be seen nor touched but are felt in the heart"

"Sadly missed along life's way, Quietly remembered every day"

"Life is not forever, Love is"

MONUMENTS

For all of the memorials in this brochure, materials, designs & ornamentation can be interchangeable.

TOMBSTONES

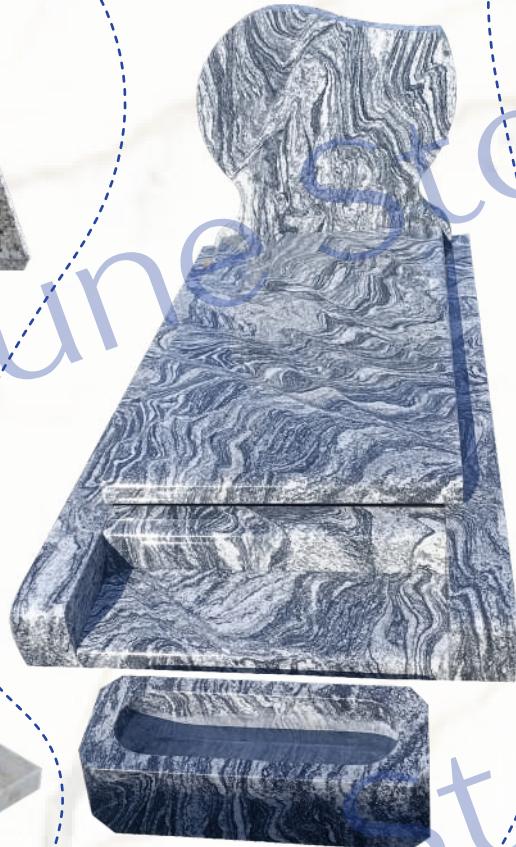

Granite Tombstones are made of the most durable, natural material available.

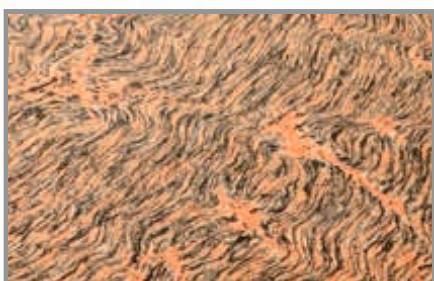

They are non-porous and will never fade or crack. This means that granite tombstones make very beautiful memorials for your loved ones, and provide a long-lasting tribute to their memories.
